**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior on a fixed income. I appreciate Sonic for their internet and phone service and the fact that they have developed better and faster service though fiber at a reasonable cost. All this is possible as they have access to the unbundled elements which has allowed this development. It is also important to have a lot of competition to encourage further improvements and keep costs down.

Thank you,

J Busby
